

A Tray

I sit alone
the chair is stiff and straight
So am I
I am waiting
The door to the cold room
opens
Brought to me on a silver tray
Two letters
One delicate copper letter
opener
How do I use it
Which letter do I choose
Will what is written change my
life
Do I want to know-
Will the letter opener be
stained red?

This is a Gallery

You look
Don't touch
Be quiet –
No-
This is a Gallery
That wants you
to laugh out loud
to cry- to sing -
Touch me Touch me
It's ok.

On the Rocks

Dark all around except for the
Green eye staring at me
Questioning
Why do you think you are better
Questioning
Why do you think we don't feel
Questioning
Why do you not respect my life
Questioning
Am I not worthy
